

# FIRE DEPARTMENT SAFETY OFFICER

## IDLH Tactics LLC

[www.idlhtactics.com](http://www.idlhtactics.com) (303) 918-2444

This class is an action packed 16-hour delivery that will show students how to safely evaluate risk, determine building behavior as it relates to recreation time, and establish true "safe" fire ground operations. This class will qualify students to sit for the Fire Department Safety Officer Association (FDSOA) Proboard certification exam.
