

HAZARDOUS MATERIALS TECHNICIAN

IDLH Tactics LLC

www.idlhtactics.com (303) 918-2444

Cutting edge delivery of up to date strategy and tactics for safe, offensive operations on incidents involving hazardous materials. This course is a "hands on" approach to hazmat mitigation and qualifies students to sit for either Proboard or IFSAC certification. This course is based on NFPA 472, "Standard for Professional Competence of Responders to Hazardous Materials Incidents". Designed for the student already trained at the Hazardous Materials Awareness and Operations. This course includes both cognitive and mission specific training, so the student becomes familiar with health and safety issues, scene management, hazard and risk analysis, personal protective clothing, and decontamination. This class meet and exceeds NFPA 472/1072 requirements.
